EXPERIENCE

- Decoswift

FORNT-END & WORDPRESS DEVELOPER

February, 2021 - November, 2022

Worked as a WordPress developer in a small web agency, responsible for building and customizing WordPress themes and plugins to meet diverse client requirements. Collaborated closely with designers and clients to turn ideas into functional, responsive websites. Handled both front-end development using HTML, CSS, JavaScript, and back-end tasks including plugin development, theme customization, and site optimization. Gained hands-on experience in managing multiple projects, debugging issues, and delivering client-focused web solutions on time.
- Dynamic Web Lab

SENIOR WORDPRESS THEME & PLUGIN DEVELOPER

February, 2023 - July, 2024

Developed advanced custom plugins and delivered complex JavaScript-based solutions tailored to unique client needs. Solved challenging frontend and backend problems, integrating dynamic features and optimizing performance for scalability. Collaborated with cross-functional teams to architect efficient and maintainable code, pushing the limits of WordPress development with a focus on quality and innovation.
